

Monday, 8<sup>th</sup> April 2024

Dear Parent(s)/Guardian(s),

I am pleased to confirm that your son/daughter has been offered a place in the Leaving Cert Applied programme for 2024-2026.

Leaving Cert Applied Programme affords the student many opportunities for academic advancement and personal development through a practical hands-on curriculum. Project work, practical work, group work and key assignments and tasks are core elements of the programme. Students are encouraged to be self-directed learners and to work enthusiastically on all assignments.

During the summer holidays students should arrange suitable work placements for Wednesdays during the school term. Consideration should be given to student aptitudes, interests and career ambitions when sourcing work placements. School insurance details will be provided to employers in September and vetting may be required in some cases.

Yours sincerely,

Paul Fogarty

Principal

Martina Butler

Deputy Principal
