Re: Book Scheme Fifth Year 2024-2025

Dear Parent/Guardian,

The Department of Education and Skills provides some money to assist pupils with the purchase of schoolbooks each year. An eligible pupil is a pupil from a family where there is genuine hardship. I wish to confirm that your child has been accepted on the School Book Scheme at Our Lady's Secondary School.

This letter of confirmation must be presented to the Book Scheme Administrator on Collection Day. Books for incoming fifth year students are available for collection on **Thursday 15th August at 2pm**. A fee of **€100 per child** for rental of the books for the year must be paid when you collect the books. If you have any queries in relation to schoolbooks please contact the Book Scheme Administrator, Ms Natasha Keane by emailing books@ourladystemplemore.ie

Yours Sincerely,

Paul Fogarty
Principal
